## BOOK THE KPMG LICENSE GUARANTEE!

Optional: Benefit from the guarantee of our partner KPMG. This makes it easy to hedge against financial risks of license audits. In the event of damage, the license guarantee covers any subsequent licensing costs – quick and easy.

## ADVANTAGES AT A GLANCE

- No own effort
- Valid and optimized data at any time
- Perfect preparation for license measurement
- samQ is always up to date
- License compliance

## YOUR 360 DEGREE SAP LICENSE PACKAGE

We approach you four times a year and check whether all optimization settings in samQ are up-to-date. We also carry out the release changes at your site.

When SAP requests the measurement, we will do the necessary work for you. We even take care of the LAW protocol. This means that you are perfectly prepared for the license measurement and always have valid, optimized data.
